

JAMES ROBERTS KILLED BY TRAIN

Well-Known Resident of
Fairfax County Meets
with Shocking Death.

STRUCK AT CROSSING

Father of Deceased, R. F. Roberts,
Met with Similar Fate at Same
Place Nearly 30 Years Ago.

The many friends and acquaintances of James Roberts, an old, well-known and esteemed resident of Fairfax County, near this city, were shocked shortly after noon today to hear that he had been killed by a train at what is known as Roberts Crossing, about half a mile from this city. The horse attached to his buggy was also killed and the vehicle smashed.

Mr. Roberts was a daily visitor to Alexandria, where he had been engaged in business many years. About 11:30 o'clock he left the office of the Mutual Fire Insurance Company of Fairfax County, northeast corner of Prince and Royal streets, and started for his home. He took Duke street road, over which he had passed for over three score years and upon reaching the entrance to the road leading to his residence at the old mill turned his horse's head to the south. When he reached the railroad tracks at the crossing he kept on, unconscious of the fact that fast passenger train No. 10, of the Washington Southern Railway, northbound, was almost upon him.

The train struck the buggy with great force, smashing it, and killing Mr. Roberts and the horse. The buggy, owner and horse were thrown upon the south track, over which another fast flying passenger train, southbound, would have passed in a few minutes had it not been speedily blocked by those who saw the accident.

The disaster occurred but a short distance from the union passenger station, and when the train stopped the accident was reported and many persons who were at the depot at the time went to the scene.

Telephone messages were sent to this city and in a short time the news had spread all over Alexandria.

The deceased is survived by a brother, Walter Roberts, and a sister, Miss Eliza W. Roberts.

Mr. Roberts was 67 years old. He was unmarried. He was president of the Fairfax Mutual Fire Insurance Company, and a director in the Alexandria Water Company and the Citizens' National Bank.

A coroner's inquest will be held at 8 o'clock this evening.

It will be recalled that R. F. Roberts, father of James Roberts, was killed at the same crossing about the same hour, and under similar circumstances on September 13, 1884. He was also in a carriage and was struck by a northbound pay train and instantly killed.

EXPLOSION KILLS THREE.

Dynamite Goes off Prematurely in
Havre De Grace Quarry.

Havre De Grace, Md., July 10.—Two Italians and a negro were blown to pieces yesterday by a premature explosion of dynamite at the Casparis Stone Quarry, near this place.

The dead are Edward Lewis, negro, about 25 years old, of Alabama, Va., James Bongori and Schairi Reniamino, Italians.

The three men were tamping dynamite into a hole when the explosion took place. The cylinder head of the hoisting engine, which was about 15 feet away, was blown out, but the engineer was uninjured. In a hole about 20 feet away were a dozen other workmen who were uninjured. Lewis' head was found about 380 feet away. Bongori's body, except one leg, has not been found and it is supposed it was blown into the river.

George McGrew, son of superintendent William McGrew, who was standing near, was knocked down, but was not seriously hurt. An inquest will be held Saturday morning.

NEWS OF THE DAY

Mediation received its death blow when the Constitutional agency in Washington received word from General Carranza informing it that his generals had refused to sanction his abandonment of the plan of Guadalupe and the appointment of representatives to meet informally with the Huerta envoys to settle by diplomacy the internal affairs of Mexico. Villa's opposition to the mediation plan is believed to be responsible for the attitude of the general. On the heels of Carranza's private message came information from Torreon that the State Department, through its agent, George Carothers, had conveyed the word to the Constitutionalists that when they captured Mexico City this government would immediately recognize whatever government they set up.

Tributes to the valor and chivalry of the South marked the unveiling yesterday of the marker erected on Monocacy, Md., battle field by Fitzhugh Lee Chapter, United Daughters of the Confederacy, to the memory of the Southern soldiers who fell in the conflict. The unveiling was on the fiftieth anniversary of the battle and veterans who fought on both sides and women who administered to the wounded while in hospitals in Frederick City were present. Colonel Robert E. Lee, of Fairfax Courthouse, Va., grandson of General Robert E. Lee, was the principal speaker.

The Cincinnati police are puzzled over the finding yesterday of the mutilated body of Edward Feagan, a non-union carpenter foreman, of Norwood, a suburb, in a sub-cellar of a building. The man had been brutally beaten to death, but from appearance he had put up a valiant fight for his life. The authorities as yet have no clue as to who his assailants were or how he came to be in the sub-cellar. A strike of union carpenters has been in progress in Cincinnati for the last three months. According to fellow-workmen, Feagan was 76 years old, but very active for his age.

Victor Harvey Briggs, wealthy publisher, of New York, will not have to pay any more alimony to Charlotte Davies Briggs, the youthful wife who astonished him by posing for "Miss Innocence" and allowing the picture to be copied for sale. Supreme Court Justice Weeks granted Briggs an annulment of his marriage to the pretty girl, who posed in "September morn" costume and threw her separation action out of court. He also confirmed costs of \$395 against Mrs. Briggs.

The boardwalk on Dufferin Terrace, Quebec's famous thoroughfare, overlooking the St. Lawrence River, caught fire yesterday and for a time threatened the Chateau Frontenac Hotel. A high wind was blowing when the fire started, and when the flames reached the scene the flames had gained such headway that they were unable to reach the farther end of the promenade. Over 500 feet of the terrace collapsed shortly before 2 o'clock.

While sitting on the front porch of her home at Glen Falls, W. Va., yesterday afternoon, Rita Swisher, 18-year-old daughter of C. M. Swisher, a coal miner, was struck by lightning and instantly killed.

STEAMER IN DISTRESS AT SEA.

Wireless Call Sends Revenue Cutter to Atlantic City's Aid.
Newport, R. I., July 10.—A message was picked up here last night from the naval wireless station at Arlington, Va., saying that the steamer Atlantic City was in distress three miles northeast of Baregat light buoy and in need of assistance. The message was addressed to the revenue cutter Onondaga.

The steamer Jamestown, of the Old Dominion Line, bound from Norfolk to New York, reported by wireless at 8:30 o'clock last night that when she passed Baregat at 6 p. m. the steamer Atlantic City was anchored off that port because of machinery trouble.

Washington, July 10.—The revenue cutter Onondaga, cruising off New York bay, has gone southward to the aid of the steamer Atlantic City, according to news reaching the Arlington wireless station last night.

ANOTHER MURDER IN WASHINGTON

Mrs. Lola Naylor About to
Expire from Two Wounds
When Found.

MOTIVE IS UNKNOWN

William A. Poland, Found in Room
with Her, Mortally Wounded—He Is
Placed Under Arrest.

Washington, July 10.—Shot twice in the left breast as she lay in bed in a room at 1525 Twenty-third street, Twining City, early today, Mrs. Lola Naylor, twenty-five years old, buyer for a Seventh street department store, lies dead in Casualty Hospital, while William A. Poland, thirty-eight years old, who was in the room with Mrs. Naylor, and who is alleged by the police to have done the shooting, lies in the same hospital in a serious condition with a bullet just above the heart.

A charge of murder has been preferred against Poland.

Deepest mystery surrounds the motive for the shooting. Poland declares that the shots which killed Mrs. Naylor and wounded him were fired by a third party. The police say, however, that they are convinced there was no one else in the room and that the evidence against Poland warranted charging him with the killing.

Mrs. Naylor and Poland were boarders at the house in Twining City, which is conducted by Mr. and Mrs. William L. Wilkins. Mr. Naylor had not lived with her husband for some time.

The shooting occurred in Poland's room, in the front of the second floor. Mrs. Naylor's room was a small one adjoining in the front of the house.

The police say that the revolver with which the shooting was done, and which was found on the foot of the bed, belonged to Poland. According to Mr. and Mrs. Wilkins, he had kept it on a small table at the head of the bed for the last two weeks.

Mrs. Naylor went down the river on a boat leaving the Seventh street wharf at 6:45 o'clock last night. The police have not been able to learn whether Poland was with her. They returned to Twining City together about midnight, and, according to the conductor on the car, Poland seemed to be quarreling with the woman.

Mr. and Mrs. Wilkins, according to the police, say Mrs. Taylor repeated, several times the remark, "He shot me," but soon lost consciousness.

BIG GAME SATURDAY.

Best Team in District to Cross Bats
With Cardinals.

Saturday afternoon at the local park the best team in the District will cross bats against the Cardinals. "Lefty" Downey, who was a player on the Cincinnati team of the national league during 1912-1913, will be on the mound for the money counters with Strait doing the receiving. The Treasury team is now leading the league in which it belongs, due to the high grade work of Downey, who has also twirled the Andrews team to a victory over Otto Knabiss, Baltimore Federals, allowing only five hits.

The Cardinals are backing the best teams in this vicinity and will enter Saturday's fray, with Eddie Thompson on the firing line, and either Tremery or Patterson behind the plate. With Thompson going right a battle royal will take place at 4:15 p. m. Merchant Nugent, Devers, Snowden and Bauer will take care of the infield with Lynn, Allensworth, Owens, and Brown in outfield, and Riston and W. Allensworth ready to relieve Thompson.

Sunday at 2:30 p. m. the Cardinals will play the Neco team of Washington.

A marriage license was issued in Washington yesterday to Walter F. Kelly and Sumner V. Cruper, both of Alexandria.

MOOSE OUTING MONDAY

Meeting Tonight to Perfect Plans for
the Excursion.

The committee of the Loyal Order of Moose will assemble in their hall after the regular meeting of the lodge to arrange details for the long-expected outing on Monday.

The members comprising the committee have worked zealously to make this trip the most enjoyable of the season and one to be remembered as one of the most successful ever given. The athletic events, which will take place, will afford amusement for all, the members of the lodge, their families, especially the children, and their friends. The contests will be open to all and prizes have been donated by the following:

Kaufman & Blumenfeld, Mt. Vernon Sanitary Dairy, Swan Bros., Julius Wolf, C. B. Marshall, D. Bentheim & Sons, Richard Gibson, C. S. Elliott, Hinken & Son, Kramer Floral Co., F. C. Pullin, Lozano Dry Goods Co., B. Abramson, H. Bloch, C. W. Howell, Saunders & Son, W. P. Taylor and Joseph Hayman.

One of the special features of the day's entertainment will be the concert by the Holy Name Band and the Alexandria Musical Association Band, which play at the boat landing, on the trip down and on the grounds. The early boat leaving Marshall Hall will also afford an opportunity to allow those who take the morning trip to come home in the evening instead of waiting for the late boat.

This will be a day of pleasure and all should avail themselves of the chance to spend a pleasant day at Marshall Hall.

The following comprise the executive committee, who are divided into various subcommittees: Dr. El A. Garman, J. H. Harrington, J. T. Ashton, W. L. Rammel, R. A. Harris, D. G. Brown, J. W. Varney, James A. Hulfish, Lawrence Hulfish, E. C. Burner, C. C. Hitt, Richard Gibson, James Duncan, R. S. Maddox, A. W. Jordan, A. E. Gray, B. N. Williams, R. E. McGabey, J. W. Adkins, S. J. Barnhouse, C. E. Booker, F. E. Beall, H. F. Chichester, Thos. Chauncey, J. T. Duncan, J. W. Hall, J. J. Kelley, B. L. Mills, M. J. McFarland, J. F. Parkinson, J. N. Lawler, R. N. Roland, Jr., F. L. Wood, Dr. R. J. Yates and J. D. Kennedy.

WOMAN UNDER SUSPICION.

Rumor that She, Not Mrs. Carman,
Fired Fatal Shot.

New York, July 10.—Efforts to force District Attorney Smith to proceed with the examination of Mrs. Florence Carman and other witnesses before Coroner Norton, Monday, as originally planned, today marked the fight which has been started to clear Mrs. Carman of the charge that it was her hand which was thrust through a window of her husband's office and fired the shot which killed Mrs. Louise Bailey.

The newest theory on which the prosecution is laboring is that another woman killed Mrs. Bailey, that this woman is well known to the Carman family, and that under the cloak of closest friendship she coveted the love of Dr. Carman.

In fact, Freeport is rent like an old cloth over the arrest of Mrs. Carman. People are even going so far as to mention a woman's name in their arguments that Mrs. Carman was not the one who murdered Mrs. Bailey. They are saying that this woman was madly infatuated with the physician. It is said by many that the arrest of this woman would not cause surprise in their minds.

They are even going so far as to wonder whether this woman will bear up under the lashings of her conscience, so confident are they that Mrs. Carman did not murder Mrs. Bailey.

Brothers Drown.

Philadelphia, July 10.—In an attempt to recover a kite which had fallen in the water, Benjamin and John Flanning, brothers, aged 9 and 6 years, of No. 3309 Bowman street, Falls of Schuylkill, were drowned in Queen Lane Reservoir at 5:30 o'clock yesterday afternoon.

Benjamin died a hero, trying to save his younger brother, although he could not swim himself. The small kite had fallen in while reaching for the kite and the larger boy dived in after him. Charles, another brother, aged 8, witnessed the tragedy from the bank.

WILL BE CAUTIOUS IN DONATIONS

Movement in Richmond City
Council to Check Gifts
to Conventions.

NUMBER IS GROWING

Hereafter but Few State Associations
Will Be Aided by City Fathers
When They Meet.

Richmond, July 10.—The City Council of this city recently took the initiative in a movement to compel the managers of church entertainments and those conducted in the interests of charity to pay licenses taxes as do others engaged in similar enterprises. It is now proposed in the same body to put a stop to the indiscriminate appropriation of money to entertain delegates who may wish to hold conventions in this city in future.

Hereafter conventions of the purely intrastate type will be given no appropriation by the Council Committee on Advertising and Enterprises to assist in the entertainment of their delegates, except in rare cases in which the committee is convinced that assistance should be accorded. The new policy was formulated at a meeting held by the committee last night, during which the question was abated at length.

President Adams, of the Board of Aldermen, as member of the committee, served warning that except in extraordinary cases, he would hereafter vote against any appropriation to a state convention. The practice of giving indiscriminately to every State organization that chooses to hold its annual meeting in Richmond, he said, has been carried too far, and it was his belief that in several recent appropriations of this character the committee had acted with more generosity than wisdom.

"This committee was created primarily to aid in bringing to Richmond conventions and enterprises of a national character. Its primary purpose is to advertise Richmond outside the state and in that manner attract to the city outside industries and investments. Unless we take a definite stand to cut off all appropriations for State conventions and adhere strictly to this principle, it will not be long before the appropriation to this committee will be withdrawn, and I will be one of those in the Council to vote for the withdrawal."

Councilman Ratcliffe declared his sympathy with the views of Mr. Adams and announced his intention to follow the same rigid practice in the case of all appropriations for State conventions. President Peters, of the Common Council, chairman of the committee, endorsed a restrictive policy, but thought that cases might arise in which an appropriation for the convention of a State body would be desirable. Each application, he thought, should come up on its own merit. The same view was held by Alderman Mitchell.

L. W. W. TO DEFEY POLICE

Decide on Memorial Procession Behind
Hearse Saturday.

New York, July 10.—Branches of the so-called revolutionary movement among anarchists, Industrial Workers of the World, anti-militarists, free-speech advocates and others held secret meetings yesterday to decide whether, in defiance of police orders, a memorial procession shall be held Saturday prior to three o'clocks 12345 prior to the proposed Union Square services at which the agitators plan to mourn for Arthur Caron, Charles Berg and Carl Hansen, three victims of last week's dynamite explosion in a Harlem tenement house.

At the close of the meeting it was announced by Alexander Berkman, anarchist, that a majority of those who attended there favored a parade behind a hearse bearing a three-chambered urn, which will contain the ashes of Caron, Berg, and Hansen. The marchers will wear red carnations and black sleeve bands with red stripes. Berkman said Emma Goldman, anarchist, had telegraphed him from the West saying she hoped to be present Saturday.

The urn will be placed on a Union Square platform from which, it was stated, speeches eulogizing the dead will be made by Leonard Abbott, president of the Free Speech League; Elizabeth Gurley Flynn and Carlo Tresca. Industrial Workers of the World leaders who figured prominently in the Paterson silk strike troubles; Rebecca Edelsen, Charles W. Plunkett and others who have led the Industrial Workers of the World or the unemployed in recent demonstrations in this city.

Berkman said he did not look for trouble with the police at Saturday's demonstration, but if trouble occurred it would be the police and not the agitators who started it, as every effort would be made to conduct the services in an orderly way.

MEAT PRICES TO SOAR.

16c Beef to Butcher Early Possibility, Says Packer.

Chicago, July 10.—Meat prices will rise above the record figures of recent years despite the huge grain crop, packing house representatives today asserted. They say that the present scarcity of cattle and the effect of dry weather on grazing lands will more than offset the enormous grain yield.

A beef price of 16 cents to the butcher was predicted as an early possibility and it was pointed out by one of the packing house men that cattle, even now, are higher than for some time. Scarcity of grass-fed cattle was referred to as one cause for the predicted advance.

The dry summer in the West last year is the chief cause of the present scanty supply on the hoof. Another factor is that the demand for meat exceeds the supply.

ORDERS ISSUED FOR ENCAMPMENT

Miniature Village Springing
Up at Gordonsville
for Event.

EVERYTHING READY

About 2,500 Men Will Camp on Plain
Outside Place for Ten Days from
July 21 to July 30.

Richmond, July 10.—Adjutant General Sale yesterday announced the resignation of First Lieutenant R. O. Hayes, of Company I, Fourth Infantry, located at Franklin, Va. The Governor ordered an election to choose a successor.

The adjutant general yesterday issued orders to the militia of the State concerning the annual encampment at Gordonsville on July 21st. These orders provide for the terms of payment of troops, the allowances to officers for special expenses and supplies of ammunition and food.

The portion of the order providing for the bodies of troops that are to take part in the encampment reads as follows:

1. The following organizations Virginia Volunteers are designated to participate in a joint camp of instruction, to be held at Gordonsville, Va., July 21 to 30, 1914.

(a) First Brigade, consisting of Headquarters, First, Second and Fourth Regiments of Infantry; General Cical C. Vaughan, Jr., commanding.

(b) Richmond Light Infantry Blues Battalion; Major E. W. Bowles, commanding.

(c) Type D, Field Company, Signal Corps; Captain Frank S. Splatt, commanding.

(d) Sanitary troops attached to above organization.

(e) Officers, Staff Corps and Departmental, assigned to duty with above organization.

2. Colonel Wilber E. Wilder, Fifth U. S. Cavalry, has been designated by the War Department to command the camp.

First Lieutenant Theodore M. Chase, Coast Artillery Corps, U. S. Army, has been detailed by War Department as camp quartermaster.

3. Organizations will arrive at camp fully equipped for field service on Tuesday, July 21, 1914; cotton, O. D. uniform, shirt and service hat will be worn.

Gordonsville, July 10.—On the plains to the north of the small town of Gordonsville a miniature village is being rapidly erected. The buildings are squat and unattractive to the eye, but they are for utility and not for beauty. The structures are being built for the State of Virginia, and will be for the comfort of the troops who will go into summer camp there in less than two weeks.

Adjutant-General Sale is receiving encouraging reports from the camp site. Although it was only selected as a last resort, the place is being put into shape rapidly, and the officers report a successful one. The most encouraging feature is the fact that the heavy rains have not affected the grounds, the water being absorbed by the soil almost as rapidly as it fell, making a repetition of the distressing conditions of last summer at Virginia Beach an impossibility.

CONVICT SHIP COMING HERE.

"Success" Will Occupy Berth at Foot of Cameron Street Next Week.

As a result of many requests, Capt. E. H. Smith, of the convict ship "Success," has decided to make a stop in Alexandria in order that Alexandrians, who did not go to Washington, should have an opportunity of seeing not only the oldest ship afloat, but one on which so many atrocities were committed.

Capt. Smith was a visitor in the city today, making arrangements for the visit of the ship. He secured the privilege of utilizing the slip at the Cameron street wharf and arranged with the electric light company to string wires for the 400 electric lights on board.

The convict ship closes its exhibition in Washington tomorrow. It was the intention to take the ship direct to Philadelphia to be provisioned for her trip to San Francisco, where it will be exhibited during the exposition, but Capt. Smith was induced to make a stop at Alexandria. The ship will arrive at this port either next Monday night or Tuesday morning. It will then be fitted up and opened for public inspection on Wednesday morning. The ship will remain in Alexandria for four days and will then proceed to Philadelphia.

The Seminole Land and Investment Company, of this city, has been granted an amendment to its charter decreasing its capital stock from \$550,000 to \$397,000.

ANOTHER CONTRIBUTION

North Dakota Grand Lodge Sends \$300 Towards Masonic Memorial Temple.

The third grand lodge of Masons to make a contribution to the George Washington Masonic Memorial temple to be erected in this city in honor of the first master of Alexandria Washington Lodge, No. 22, is North Dakota.

Charles H. Callahan, secretary of the local committee, received a letter yesterday from Walter L. Stockwell, grand secretary of the grand lodge, stating that his jurisdiction would contribute their full quota of the amount need to erect the temple. With Mr. Stockwell's letters were enclosed checks amounting to \$300 as an initial subscription. This amount is made up of a contribution of \$100 each from the grand lodge of North Dakota, the grand chapter and the grand commandery of Knights Templars of the same state. Each of these bodies will become members of the charter roll of honor.

Mr. Callahan has also received a contribution of \$100 for membership in the charter roll of honor from the general grand chapter of Royal Arch Masons of the United States, with advice that there would be other contributions from this source.

Grand Lodges who have made contributions to the fund are Michigan which appropriated \$5,000 and Iowa which has given \$3,000. Over 35 grand lodges have officially endorsed the project.

CHARGE IS DISMISSED

Case Against Beulah West, Resident of North Lee Street, Investigated this Morning.

The case of Beulah West, who was arrested several days ago on the charge of conducting a disorderly house on north Lee street, came up in the Police Court this morning. There was a large audience outside the bar which had gathered to witness the outcome.

The policemen testified that they saw several men leave the Colonial Beach steamer St. Johns about 11 o'clock on the night the arrest was made and proceed to north Lee street. Having reached that neighborhood the officers heard one of them say: "The police are on the lookout." The party later went a short distance from Lee street, but later returned, some entering the front door of the house and others by a side entrance. The policemen followed in a few minutes when the visitors made their way to the third story of the house where they were found. There were eight women in the house at the time.

The alleged proprietress was later placed on the stand. She said some of the men were from Fredericksburg, and when they came to the door they asked for women who were from that place. The accused said she did not know the men, but inferred that they were either relatives or persons interested in the women. She alleged she told them that no disorderly proceedings were allowed in the place at present. Almost as soon as they had taken their seats in the parlor the officers rang the bell and when the latter entered the visitors stamped to the upper portion of the house. The woman further stated that the former inmates were being furnished with shelter until they could make arrangements to go elsewhere; that three had been married since the 15th of June, one would wed today and another after the 15th instant. She denied that any improper conduct had been permitted.

The officers stated also that there was no evidence of lasciviousness nor of the sale of liquor.

Justice Caton in summing up the case said:

"To prove a case under this statute evidence of acts of prostitution or the general reputation of the house is ordinarily sufficient. A peculiar condition exists, however, in this case. Up to one month ago these houses were run with the knowledge of everyone. When the law against such was ordered to be enforced the general reputation of this house was established and still clings to it. Since the closing was ordered the law may have been strictly complied with and to convict on general reputation might work an injustice. It seems to me the previous reputation must be ignored and if reputation is accepted as evidence it, must be a reputation established since June 15th. No evidence is presented to this effect—nor is there any evidence of acts of prostitution committed at this time. The presence of the men in this house at the hour named is suspicious, but the explanation is plausible, unless the previous reputation of the house is considered and this I am unwilling to do."

THE CRAZE FOR THE IMMODEST.

Anthony J. Drexel's dinner dance at the Hotel Ritz, in Paris, this week, was the largest of the series he has been giving this season. There were more than one hundred dancers, embracing many titled women.

A notable feature of the affair was the latest Parisian craze for filmy tulle skirts with charming tunic. A number of the dancers wore these gowns, the transparency of which reveals hose of spider web texture of darker hue than the skirt to make them stand out in relief.

The general result is to give a much more undraped effect than if the wearers appeared in uncovered silk fleshings, and when under the big chandelier the entire figure was revealed in perfect outline from the throat to foot.

It must be apparent to students of history that, taken all in all, the world, morally, is no better today than at the time Belshazzar gave his notable feast. Passions which were in evidence then and for many years previous to the time the unfortunate king flourished, are as manifest as ever.

The custom of wearing what we call diaphanous dresses was indulged in by females anterior to classical days. The attire of Zuleika, wife of Potiphar, from whose blandishments the youthful Joseph escaped, was, according to scholars, similar to that in which the Drexel guests were attired. Salome, in exercising her Terpsichorean skill before Herod and his guests, was evidently clothed likewise.

All who have read Herodotus will remember the description given by that writer of the banquet of his day. History is ever repeating itself. The sensuality of bygone days has never been extinguished, and "the lust of the flesh, the lust of the eye and the pride of life" inherited by the human race at the beginning are exemplified in all ages.

ARRESTED ON BAD CHARGE.

Boys in Drunken Rampage Tried to Wreck Train.

Richmond, July 10.—Officers of the Chesapeake and Ohio confirm the report of the arrest of three white youths at Staunton who had piled obstructions on the road near that city, and which came near wrecking a fast passenger train. The men are Lamb, McMullin, and Sproule. They have made a confession of their act. They would not drink, this fact having been stated before the arrests were made. Prior to putting the obstructions on the track, the youths, in a drunken rampage, had taken clubs and bricks and demolished a fine bug, belonging to a farmer nearby. The youths are all locked up in jail at Staunton.

D. D. D. In Hospitals; Standard Skin Cure

How many hospital patients, suffering from the frightful itch, the raw scorching pain of skin disease, have been soothed to sleep by a soothing fluid washed in by the nurse's hands? That fluid is the famous D. D. D. prescription for eczema.

THE SUPERVISING NURSE of one of our prominent Catholic institutions (name of nurse and institution on application), writes regarding a patient. The disease had eaten her eyebrows away. Her nose and lips had become disfigured. Since the use of D. D. D. her eyebrows are growing, her nose and face have assumed their natural expression.

How many eczema sufferers are paying their doctors for regular treatment and are being treated with the same soothing, healing fluid?

DR. G. E. T. RICHARDSON frankly writes "D. D. D. is superior to anything I have ever found. Soft and soothing. Yet a powerful agent."

To do the work D. D. D. Prescription must be applied according to directions given in the pamphlet around every bottle. Follow these directions—and see!

And it certainly takes away the itch at once—the moment the liquid is applied. The skin is soothed—calmed—so, thoroughly refreshed—delightfully cooled.

All druggists of standing have the famous specific as well as the efficient D. D. D. Skin Soap.

But we are so confident of the merits of this prescription that we will refund the purchase price of the first full size bottle if it fails to reach your case. You alone are to judge.

Why Suffer from Rheumatism?
When relief from rheumatic pains may be had at so small a cost it is surprising that anyone should fail to avail himself of it. Joseph Copporelli, Canastota, N. Y., suffered intensely with pains due to rheumatism in his limbs for a long time. A friend told him about Chamberlain's Liniment. One application relieved him wonderfully, and a few days' treatment effected a cure. Many others have found quick relief by applying this liniment. For sale by all dealers.

Headache and Nervousness Cured.
"Chamberlain's Tablets can give relief to all the pains I can give them," writes Mrs. Richard O. Spencer, N. Y. They have cured me of headache and nervousness and restored me to my normal health. For sale by all dealers.

United Choice of Republicans of Ninth Virginia District, But Progressives Split.

Bristol, Va., July 10.—In the largest convention held here in recent years, the Republicans and Progressives, jointly renominated Representative C. Eusem Slemp as candidate for Congress in the Ninth Virginia District.

A section of the Progressives, anxious to preserve the identity of their party, met in the City Hall and organized by the election of Walter Graham, of Taxewill, as temporary chairman, E. H. Witten, of Buchanan county, was afterward elected permanent chairman, but a majority of the Progressives, including Witten, left the City Hall and joined the Republican convention. Witten, Senator J. N. Harman, the Rev. J. B. Craft and others of the Progressive wing addressed the Republican convention.

Slemp was placed in nomination by former State Senator J. C. Noel, of Lee county, and after the nomination had been seconded by all counties his selection as candidate was made unanimous.

The few Progressives who remained in separate session nominated J. L. Rose, of Washington county, after Senator John H. Catron had served notice that he could not accept the nomination. Catron was chosen district chairman of the Progressive party. Speeches were made in the Progressive convention urging that the party preserve its identity by maintaining a permanent district organization.

Slemp accepted the nomination. He said his health was not the best, but declared he would enter the fight to win.

David F. Bailey, of Bristol, was temporary and permanent chairman of the convention and Charles F. Cook, of Smyth county, secretary. Speeches assailing the Wilson administration and pleading for a return of the Republican tariff and industrial policy were made by Chairman D. F. Bailey, of Bristol; Col. James S. Browning, of Roanoke, and Tom J. Munsey, of Bland.

While Wife Holds Up Intruder, Husband Opens Shooting.

Hughestown, Pa., July 10.—From a window in her home, Mrs. Michael Savanna, girl bride held Tony Ross at bay late Tuesday night, forcing a duel between the invader and the woman's husband that ended in the death of Ross and the mortal wounding of Savanna.

Ross had tried to force his way into the home, but the young wife frustrated him with a revolver, threatening his life if he moved. Savanna stepped from behind a nearby tree and opened fire. Ten shots were exchanged.

Ross dragged himself a hundred yards to the house of a friend, where he died.

YOU CAN HAVE A WEALTH OF BEAUTIFUL HAIR

Nothing equals an aureole of beautiful hair as a frame for a pretty face. Without a background of nice hair a really pretty face frequently becomes plain and, with it, unattractive features assume life and beauty.

Every woman can increase her natural charm by using Newbro's Herpicide. Herpicide makes hair beautiful. The dandruff germ saps the vitality of the hair. Herpicide applied intelligently and regularly checks this destruction of hair life and prevents the hair from falling out, giving it a snap and lustre, a soft, silky firmness which can be acquired in no other way.

Newbro's Herpicide in 50c and \$1.00 sizes is guaranteed to do all that is claimed. If you are not satisfied your money will be refunded. Applications may be obtained at the best barber shops and hair dressing parlors.

HOW TO GET FAT

Use Samosa, Says Druggist, and Put on Good Flesh.

The almost universal interest in physical culture is the best evidence that can be offered as to the need of a simple and scientific method of making thin people fat, increasing strength and restoring health.

Athletics, when carried to an extreme, often result in straining the vital organs. How much better it would be for the average person to regain health, strength and flesh by using Samosa. This flesh forming food is assimilated as soon as it enters the stomach; it helps the organs to assimilate the food and extract the flesh forming elements it builds up the muscles and rounds out the limbs into shapely plumpness.

Samosa has been so successful in making thin people fat and restoring the weak and run down to strength and health that E. S. Leadbeater & Sons, the popular druggists, sell it under their personal guarantee to refund the money if it does not benefit.

WISHED SHE COULD DIE

And Be Free From Her Troubles, but Finds Better Way.

Columbia, Tenn.—"Many a time," says Mrs. Jessie Sharp, of this place, "I wished I would die and be relieved of my suffering, from womanly troubles. I could not get up, without pulling at something to help me, and stayed in bed most of the time. I could not do my housework."

The least amount of work fired me out. My head would swim, and I would tremble for an hour or more. Finally, I took Cardui, the woman's tonic, and I am not bothered with pains any more, and I don't have to go to bed. In fact, I am sound and well of all my troubles."

Cardui goes to all the weak spots and helps to make them strong. It acts with nature—not against her. It is for the tired, nervous, irritable women, who feel as if everything were wrong, and need something to quiet their nerves and strengthen the worn-out system.

If you are a woman, suffering from any of the numerous symptoms of womanly trouble, take Cardui. It will help you. At all druggists.

E. J. FLEMING,

Skin Sufferers—Read!

We want all skin sufferers who have suffered for many years the tortures of disease, and who have sought medical aid in vain, to read this. We, as old established druggists of this community, wish to recommend to you a product that has given many relief and may mean the end of your agony. The product is a mild, simple wash, not a patent medicine concocted of various worthless drugs, but a genuine compound made of well known antiseptic ingredients. It is made in the D.D.D. Laboratories, at Chicago and is called the D.D.D. Prescription for Eczema.

This is a doctor's special prescription—one that has effected many wonderful cures.
